

Date of Meeting:

January 4, 2016

I hope you had a happy holidays, but now it's time to get back to work!

Knots: This week we practiced the [two half hitch knot](#).

Merit Badge:

This week we continued working on the Digital Technology merit badge and Cyber Chip.

Requirements Covered for Merit Badge:

We covered requirement #2 for the Cyber Chip.

Activities:

- One thing we did was look at the history of computers from across the ages, including some highlights, such as Mr. Markowitz's first computer, the PET!

Important Announcements:

- Bring your signed contract that was given for homework a couple of weeks ago to the January 25th meeting so that you can officially get your Cyber Chip! This will cover requirement 1 for Digital Technology and possibly a requirement for a rank advancement.
